Little Ferry Public Schools are a member of the National School Lunch Program, governed by the New Jersey Department of Nutrition. Every lunch offered at LFPS includes the five NSLP components: Meat\Protein Alternative, Bread\Grain, Fruits, Vegetables, and Milk.

Little Ferry Public Schools use a computerized POS (point of sale) system in the cafeteria to run both breakfast and lunch programs. Parents can fund their child's cafeteria balances and the system will automatically track their child's balances.

Parents have access to view their child's cafeteria purchases on-line, as well as to receive automated account statements and low-balance reminders via email. There is even an optional "auto replenishment" feature, similar to EZ Pass, that allows you to set up a low balance threshold, upon which the system will automatically charge your credit card or bank account a pre-determined amount.

NEW FEATURE!! You now have the ability to use Payforit on your mobile phone. Just sign up for Payforit on your PC, then use your phone to make payments and view balances and your child's purchases on the Payforit iPhone app, or Android. Just go to the App store or Google Play

Registration is easy!!! Just visit www.payforit.net

You will need your child's student ID (not PIN number) to register.

All kindergarten children will receive their pin on the 1st day of school.

You can also find monthly menus, payment options, restrictions allowed to be placed on your child's account, forms, and general information regarding your breakfast and lunch program. Please take the time to review all the forms online at <http://www.littleferry.k12.nj.us>. Please navigate to Parents & Students—School Lunch Program

Nutrition will be our most important concern as we balance healthy choices with student preferences. Our Food Service is committed to making a difference in your school. Any questions or concerns, please call 201-641-6192.x 1608
