Re: Kindergarten Pre-Registration
Date: January 22, 2019

The annual Kindergarten Pre-Registration will begin February 4, 2019. Any child born on or before October 1, 2014 is eligible to enroll. To pre-register, please complete the form at the bottom of this notice and return it to your eldest child's teacher. You may also send it via fax (201-641-4072) or email scan (msabato@littleferry.k12.nj.us). We need basic data such as student's name, date of birth, parent/guardian name, address, and home phone.

Once you have pre-registered, it will be necessary to print out the registration packet and complete all forms. You can find the new student registration packet on our website at www.littleferry.k12.nj.us under the **Parents & Students** tab. You may also pick the packet up at the Memorial School Main Visitor's Entrance (Main 1 door). The completed forms **must** be brought with you at the time of formal registration.

Formal Registration will be held in March. Registration will be broken down into two groups based on the last name of your child:

A through M	During the week of March 11 th – March 15 th
N through Z	During the week of March 18 th – March 22 nd

Registration interviews will be held by appointment only in the Washington Annex Administrative Office during the hours of 9:00 a.m. – 12:00 p.m. and 1:30 – 3:00 p.m. Mrs. MaryPat Sabato (201-641-6760, ext. 3402) will be contacting you to schedule the appointment once she is in receipt of the information below.

If you know of any neighbor, friend or new residents that may have children eligible for kindergarten next fall, please share this information with them.

Since physical examinations are not performed at the time of registration, you must arrange with your child's pediatrician to complete the necessary forms. It is important that medical examinations (performed between September 2018 – September 2019) and immunization records be completed prior to registration. **Reminder** – Hepatitis B series must be completed prior to 9/2019 entry.

Please return the bottom of this form for processing
