PRESCHOOL

2019-2020

OUR CURRICULUM

The Creative Curriculum for Preschool is a comprehensive, research-based curriculum that features exploration and discovery as a way of learning, enabling children to develop confidence, creativity, and lifelong critical thinking skills. It is designed to help educators at all levels of experience plan and implement a developmentally appropriate, content-rich program for children with diverse backgrounds and skill levels (The Creative Curriculum, 2016).

OUR PROGRAM

We follow the state approved Creative Curriculum for Preschool and Handwriting Without Tears. Our program is based on helping students develop social emotional skills to interact and learn through play. We also help to prepare students with the academic skills they will need for kindergarten. We strive to meet the needs of each child while creating a fun, caring, and safe environment that enhances a love of learning.
