

Little Ferry Schools utilizes a POS (Point of Sale) system in the cafeteria that speeds up service for all our students. Instead of purchasing tickets or paying cash daily, you can now deposit money directly into your child's account! Similar to EZPass, the auto-replenish feature replenishes your account based on the threshold you setup once!!! This will reduce time-consuming transactions, and make our lunch lines much faster! The district will no longer accept cash or check.

Your pre-payment options are:

CREDIT CARD

You can place money on your child's account from your home computer as well! There is a convenience fee of 3.95% for each transaction.

ACH ELECTRONIC CHECKING

This option allows you to use your checking account to add to your student's balance. There is a flat fee of \$1.95 for each deposit transaction.

NEW FEATURE!! You now have the ability to use Payforit on your mobile phone. Just sign up for Payforit on your PC, then use your phone to make payments and view balances and your child's purchases on the Payforit iPhone app, or Android. Just go to the App store or Google Play

You will need your child's student ID to register

Registration is easy!!! Just visit www.payforit.net

Click "lunch" to setup your account for one time payments or auto replenish.

All kindergarten children will receive their pin on the 1st day of school.

Any questions about the PayForIT service call 800-572-6642 or email pfadmin@payforit.net

CASHLESS means...

**No more lost lunch money or checks.
No need to find cash in the morning.**
